

INVITATION

PEER LEARNING ACTIVITY II

The team at Fundatia Regionet Centru de Dezvoltare Regionala is pleased to invite you to take part in the second Peer Learning Activity (PLA) workshop within the EDUBOT - Developing Key Competencies Through Blended-learning Methodology Based On AI-Supported Chatbot Technology project on April 28 2023.

Topic: gathering feedback from the professional community on the development objectives of the project.

Organizer: Fundatia Regionet Centru de Dezvoltare Regionala

Location: Colegiul Reformat Baczkamadarasi Kis Gergely, Odorheiu Secuiesc, P-ța Márton Áron, nr. 2

Date: 28 April 2023, 16:00 - 19:00

Agenda:

- Registration of the participants
- Presentation of the EDUBOT project
- The following aspects will be discussed during a methodological round table:
 - Knowledge and usage of e-learning systems
 - Features of a user-friendly and efficient e-learning system
 - The use of artificial intelligence (chatbot) in digital education
 - Analysis of project-specific goals within the EDUBOT project
 - Digital curriculum development opportunities under the project

Please send confirmation of your participation by email to the project coordinator:
info@regionet.ro by 26 April 2023.

Date: 19 April 2023, Odorheiu Secuiesc

Sincerely,
President, Lukács Zoltán - Levente
